

Appl. No. 10/064,681
Amendment dated October 30, 2003

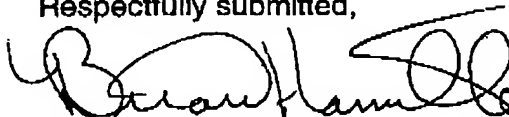

REMARKS

The Office Action asserted an election of species requirement. Applicant elects, without traverse, Group II, drawn to Figure 3. Claims 1-4, 6-8 and 26 read on the elected species. No claims appear generic. Applicant cancelled claims 5, 9-25 and 27-30 drawn to the non-elected species.

Applicant also made several modifications to the specification to correct reference characters and reference to a Figure. These changes do not introduce new matter, nor were they made in response to any objection or rejection.
